

Test drive a Lincoln in support of Meals on Wheels

Ever dream of driving a Lincoln?

The opportunity will be available this coming Saturday (June 10) at Fines Ford Lincoln in Bolton. Those taking the drive will be able to benefit Caledon Meals on Wheels at the same time.

The public will be able to test drive a vehicle. And for each test drive, Lincoln Canada will donate \$50 to Meals on Wheels, up to a maximum of \$7,500.

This is open to one test driver per household.

The test drive experience will only take 10 minutes, but each \$50 donation means a month of meals and security checks that are affordable for a senior.

Test drives will be held between 10 a.m. and 2 p.m. Saturday.
