

Santa welcomed to Herb Campbell

There was a packed house in the gym at Herb Campbell Public School Saturday morning in honour of the 30th annual Breakfast with Santa. Those on hand to greet the jolly old elf included members of the Hay family. Amy Hay was there with Ryland, one and a half, Lily, 7, and Ivy, 5. There were some other fun things going on at Herb Campbell Saturday, including face painting. Annelisa Fischer, a volunteer, was finishing her work on Grade 3 student Leyla Garcia.
