

Blues and Jazz in Bolton

The Bolton valley was filled with music recently as the local Business Improvement Area (BIA) hosted its first ever Blues and Jazz Fest. The occasion provided a great opportunity for some local groups to demonstrate their talents, including Queen City Guns from Bolton. Seen here are Brandon Cardelli on guitar, Joey Cardelli on drums, Izabel Della Siepe on vocals and Ryan Woodworth on bass. Organized Chaos took to the stage, featuring the sounds of Garfield Stoddart from Toronto on guitar, Nick Carione from Caledon on drums and Mike Attard from Caledon East on bass. Photos by Bill Rea
