

Arrest made in break and enters

A 34-year-old Brampton man has been charged after police were able to link him with numerous local residential break-ins. Caledon OPP reports receiving a call July 12 regarding a suspicious vehicle at a home on Heart Lake Road. A red van was parked in the driveway and a licence plate was provided. Police later observed the vehicle on King Street, west of Heart Lake. Upon investigation, the male occupant of the vehicle was found to be in possession of break and enter tools. He was charged with break and enter, possession of break-in instruments, two counts of failure to comply with a probation order and mischief under \$5000.

Following the arrest, the Caledon Street Crime Unit, through ongoing investigation, was able to link the accused to several other recent residential break and enters that have occurred in southwest Caledon.

Police would like to acknowledge the important role that members of the public have played in this and other recent police investigations. They are reminding residents to be vigilant and to report suspicious activity to Caledon OPP directly or to Crime Stoppers at 1-888-222-TIPS (8477).
