

AUTHOR SPEAKS AT LIBRARY

Toronto author Amy Stuart was on hand recently at the Albion-Bolton branch of Caledon Public Library. She was speaking about her latest book *Still Mine*, a psychological thriller about a woman who goes missing in a mining town, and another woman mysteriously shows up to start looking for her. It was on the *Globe and Mail's* Best Seller List for more than 12 weeks, and was on the Canadian Best Seller List for 30 weeks. Photo by Bill Rea
