

BOLTON WOMAN WINS AT SLOTS

Bolton resident Carol Bryan won a \$10,000 jackpot with Triple Blazing 7s during a visit to OLG Slots at Hanover Raceway Saturday. "It's unbelievable!" Bryan declared shortly after her big win. "Someone else had to tell me that I won a big jackpot. I didn't believe it until I saw the figures on the machine." She was in the area visiting old friends who live in Markdale. She plans to spend some of her winnings on her grandchildren and support one of her favourite charities. "I'll also be treating my friends to dinner," she added. "It's always exciting when our patrons win big jackpots," said Spencer Parazader, general manager at OLG Slots at Hanover Raceway. Photo submitted
