

Caledon OPP joins Facebook

In an effort to communicate better with Caledon residents, especially the youth in the area, Caledon OPP has joined Facebook. Want to stay current with their upcoming events and view some of great work they do? Check them out on Facebook at [Caledon OPP](#). Information on current events and photos from past events will be posted, as well as any upcoming child car seat clinics. Information about the Caledon OPP administration can still be located at the Town of Caledon web-site under the OPP link. Police are also reminding the public to call 9-1-1 only in an emergency. Non-emergency calls can be placed to the Communication Centre at 1-888-310-1122.
