

CALEDON RESIDENT WINS \$50,000 WITH DAILY KENO

Manuel de Sousa of Caledon had something to celebrate after winning \$50,000 in the May 10 Daily Keno draw. "I found out about my win on the same day that I bought my ticket," he said at the OLG Prize Centre in Toronto where he picked up his winnings. "The first thing I thought was that this win means a big weight off my shoulders. Things are starting to look up!" The self-employed, married father of two is planning to help his daughters pay off their tuition. "My wife will also get a nice gift and I'm excited to help my family and close friends," he concluded. The winning ticket was purchased at Daisy Mart on Van Kirk Drive in Brampton.
