

Canadian Tire meeting set for May 28

The long-awaited public meeting to discuss the massive development proposed by Canadian Tire for Bolton's industrial area will be May 28.

It will start at 7 p.m. at the Caledon Community Complex in Caledon East.

Canadian Tire is interested in placing a large distribution centre and office facility on about 180 acres at the northwest corner of Coleraine Drive and Healey Road in Bolton.

Mayor Marolyn Morrison said earlier this year the community was promised a meeting once the reports from all the consultants dealing with the matter were in.
