

Car show Sunday at Fines

The weather wasn't very cooperative, but Sunday's All Ford Show, presented by the Ontario Mustang Club and Fines Ford Lincoln, went ahead despite the rain. Proceeds from the event went to Caledon Meals on Wheels. The day included displays of some vintage automobiles, including this 1954 Ford Custom, which was shown by Doug and Joan MacLeod of Caledon East. "It's a pleasure to drive," he said.

Mario Vella of Stouffville said he's owned this 1949 Mercury Pick-up for 14 years, restoring it from scratch. Photos by Bill Rea
