A spectacular gala will soon be held to raise money for a good cause.

On November 29, Caledon Community Services (CCS) will put on its annual Home for the Holidays Gala at the Royal Ambassador Event Centre in Caledon East.

The theme for this year's gala is "Stories Unmasked" and serves as a powerful reminder of the stories of people whose lives have been touched by CCS.

The theme also ties in with the recent launch of CCS' Stories Portal, an online tool that shares the stories of CCS clients, volunteers, staff, community partners and more.
