

## Celebrate International Women's Day

Family Transition Place will be hosting its popular International Women's Day Celebration Luncheon Fundraiser.

The event, which sells out every year, will be March 8 at Best Western Plus Orangeville Inn and Suites.

Come early to visit the women's vendor marketplace and pick up some unique finds. Then stay for lunch and hear keynote speaker Lindsay Whisen. In her incredibly honest presentation, Whisen will share her journey from the pit of depression to a much happier place. She will also offer enlightenment on the challenges, choices and changes that need to happen in today's society for women to succeed.
