

## Correction

The story in the March 27 edition of the Citizen on the death of Wes Keller gave the wrong date for the celebration of his life.

In fact, it will be April 4 at the Orangeville Legion, 7 John St. from 4 to 6 p.m.

We also failed to give proper attribution to the picture that appeared with the story. The photo was by Pete Paterson, courtesy of In The Hills magazine.

We apologize for the errors.
