

Deborah Armstrong gets her new car

Caledon resident Deborah Armstrong accepted a coffee from her daughter Caitlin's Tim Hortons card Feb. 21 from one of the outlets at Brampton Civic Hospital.

As a result of the annual Roll Up the Rim to Win contest, Armstrong found herself the winner of a new 2014 Toyota Corolla Sport. It proved to be a big improvement in a rather rough day, as Caitlin had had a fall and they were at the hospital so she could get checked out.

She took possession of the new wheels recently at the hospital.

‘Having a grand prize winner at our restaurant is exciting for our guests, team members and the hospital community,’ commented Sanjiv Seth, director of retail food services for Dana Hospitality LP, which operates the Tim Hortons outlets at the hospital. ‘Our guests are happy when they win a donut or a coffee, so you can imagine how thrilling it is when someone rolls up the rim and realizes they’ve won a new vehicle.’
