

Driver tries to flee from collision

A 22-year-old man from Oakville is facing a number of charges after a traffic incident on King Street March 29.

Caledon OPP reports they were called to a location between Heritage and Mississauga Roads around 11:30 p.m. They found an extensively damaged Dodge Challenger, but they weren't able to find any occupants.

Police were able to obtain information from the public that led them to a nearby resident, where they found the uninjured driver, as well as a passenger.

Following an investigation, it was determined that the driver had consumed alcohol prior to the collision and a breath sample demand was made. The man failed to provide a suitable sample of his breath.

The man was charged with dangerous operation of a motor vehicle, failure to stop at the scene of an accident, and refusing to supply a breath sample.

The 90-day Administrative Drivers' Licence Suspension (ADLS) program was initiated and his vehicle was impounded for seven days.
