

Fan getting trip to All-Star Game

Things were busy recently at Brooks Sports Bar and Lounge in Bolton, with a local fan, Claudio Mangoni, winning a trip for two to NHL All Star weekend at the end of this month in Nashville. Brooks proprietor Donnie Beattie said customers got into the draw by buying 32-ounce Molson skate boot mugs. He is seen here with Reed Board, sales rep for Molson Coors Canada, and later with Mangoni himself.
