

Financing for small businesses

Would you like to obtain a small business loan in order to fund your business?

Join Caledon's Small Business Enterprise Centre Feb. 19, from 1:30 to 3:30 p.m., as it hosts a special presentation from TD Canada Trust on small business financing at the Royal Courtyards in Bolton.

Silvio Lombardi, business manager at TD for three years, and Lisa Ringer, business manager at TD for four years, will be discussing topics such as registering a business and creating a business plan, in addition to start-up financing options offered by TD and the Canadian Small Business Financing Loan program.

“We are senior business account managers that understand the specific needs of businesses,” Silvio said. “From start-up financing, to products that help manage day-to-day operations, plan for future growth and succession planning.”

TD Canada Trust provides a full range of financial products and services to personal and small business customers. Small business options include day-to-day banking needs, credit needs, investments, point of sale terminals, foreign exchange services and payroll solutions.
