

Fines Ford offers tests drives for DARE

Members of the local motoring public got the chance recently to try out some of the latest Ford products in support of a good cause in the Drive One 4UR Community event. They were able to take the cars out for test drives from Allan Drive Middle School in Bolton, and for every participant, Ford donated \$20 to the Drug Abuse Resistance Education (DARE) program. This is the third year that Fines Ford Lincoln in Bolton has taken part in the event, and General Manager Carlos Martins reported 130 drivers took advantage. Southfields Village resident Brenda Hill, a volunteer with DARE, took this 2013 Lincoln MKX for a spin. "It was beautiful," she said.

Tom Pickett, president of the Caledon Cruisers, was getting ready to head out with Mary Beitz, sales and leasing consultant with Fines.
