

FORSTER'S SUPPORTING SANTA FUND

Forster's Book Garden in Bolton is once again collecting books, games, toys, puzzles, etc. for the annual Santa Fund, run by Caledon Community Services (CCS). Donna Forster and Fynn are seen here with the chest of contributed items and there's lots of room for more. She reported that publishers have sent some products and the store is asking customers to contribute by buying something (at a 30 per cent discount) for the Christmas trunk if they are able. The collected items will be taken to The Exchange Dec. 15. Photo by Bill Rea
