

FRIGHTENING WAY TO RAISE MONEY

The computer room at Holy Family Elementary School in Bolton will be benefitting from the proceeds of this haunted forest that was operated Friday and Saturday night at the Staffiere home in Cedar Mills. It was a combined effort by students at St. Michael Catholic and Humberview Secondary Schools. Seen here in various costumes are Benjamin Huxtable, Michael Rhone, Adam Staffiere, Joseph Quadrini, Shelby Watts and Lucas Lance. Photo by Bill Rea
