

FTP?seeks support for Mother?s Day

With Mother's Day coming this weekend, Family Transition Place (FTP) is appealing for help to alleviate struggles of mothers dealing with domestic violence in the community.

The women's support organization is seeking donations to go toward maintaining programs and services essential for the FTP?to help people in the area.

Many programs in youth and women's services suffer from a lack of funding, and are always in need of contributions. FTP would be grateful for even small, monthly donations, which when built up over time can make a great difference.

Donations can be arranged over the phone by contacting Kelly Lee at 519-942-4122, ext. 243 or at kelly@familytransitionsplace.ca
