

Gardening workshop at library

Toronto and Region Conservation Authority (TRCA) will be hosting a Sept. 21 workshop on greening grounds. Entitled Getting Started with Rainscaping, it will be at the Albion-Bolton branch of Caledon Public Library, running from 7 to 8:15 p.m.

This will be an introduction to stormwater-friendly landscaping for homeowners. There will be information on rain barrels, rain chains, rain gardens and permeable paving.

Registration can be done through the Library at www.caledon.library.on.ca or through TRCA at www.trcastewardshipevents.ca, or by calling TRCA at 416-661-6600, ext. 5941.
