

Help CCS holiday drive at Forster's

The holiday spirit of giving has returned and is being demonstrated in plenty of places, including Forster's Book Garden in Bolton. Donna Kamiel-Forster said people can buy merchandise at her store and donate it to the holiday Santa Fund being run by Caledon Community Services (CCS), and they will deduct 25 per cent from the price.

She said CCS has especially asked for items that would appeal to the 10-and-older range, in the form of books, toys, etc.

“What ever they feel like donating,” she said.

A box has already been started for contributions, and Kamiel-Forster is expecting it to fill up fast.

“Last year, it worked wonderfully,” she remarked. “We had lots of boxes to take over.”

Contributions can be made until Dec. 9.
