

Home James will be on deck for Ribfest

The big Bolton Rotary Ribfest is set to hit the town next weekend (July 12, 13 and 14).

It will take place at the Albion-Bolton Fairground, and the three days will feature five award-winning ribbers, along with entertainment, a beer tent, mechanical bull, market vendors, classic cars and lots of fun for the family.

Getting home Friday and Saturday evenings shouldn't be a problem. The Home James program will be available, offering free rides for people who might not be fit to drive. Stop by the Home James booth to sign up for your ride. They will also be accepting applications for volunteer drivers and navigators for the Winter Campaign.
