

HORWATH VISITS BRAMPTON

Ontario NDP Leader Andrea Horwath was in Brampton recently, meeting with business people and civic leaders. One of the main items of concern she said came up a lot was the price people in Brampton have to pay for car insurance. She said the rates there are the highest in the country. She is seen here making the rounds with City Councillor Vicky Dhillon and Bramalea-Gore-Malton MPP Jagmeet Singh. Photo by Bill Rea
