

?How-to? festival coming to library

Love to learn new things, but never seem to have the time?

Caledon Public Library is hosting its first How-To in 10 Festival that promises to make learning new skills fun, easy, free and fast. Come out April 16 at the Albion-Bolton branch from 1 to 3 p.m. and visit the various booths. Explore and learn new skills, all in less than 10 minutes. From learning how to brush your dog's teeth to magic tricks; from learning basic sign language to downloading an eBook; or creating and taste testing a smoothie ? there's something for everyone.

Mark your calendars now and make it a whole day of fun.

Also happening the same weekend in the same facility is the Caledon Chamber of Commerce's Home and Lifestyle Show and the Friends of Caledon Public Library's Annual Book Sale. The book sale will offer great books, cds, dvds, magazines and more, all at incredibly low prices. The sale begins April 15 from 4 to 6 p.m. for Friends only with memberships at the door. Then it will be open from 6 to 9 p.m. for the public. The Book Sale will be run 10 a.m. to 4 p.m. Saturday for the public.

Friends of the Library will be accepting donations of books at the Albion-Bolton branch April 8 and 9 from 10 a.m. to 4 p.m.

For more information, call or visit any branch of the library or check out the website at www.caledon.library.on.ca
