

HUMBERVIEW WINS AT CURLING

The new Humberview Huskies Boys' Curling Team dominated the invitational St. Roch's bonspiel for new school teams recently at the Brampton Curling Club. They swept all three games, including an exciting come-from-behind win in the second match, to score the highest points total and win first place. The new team consists of (left to right) skip William Gates-Crease, lead Ryan Antiochos, vice Chris Dywanski, second Mike Triglav, and fifth Jonathan Quintal. Although they are a bantam boys team, they will be curling in the Senior Open Boys division for their ROPSSAA games. The Huskies thank their Humberview staff supervisor Ms. Quintal and their OCA competition coach Skid Crease for their support and training.
