

Jobs Caledon to feature the Town

Jobs Caledon will be presenting Town of Caledon Director for Human Resources Judy Porter Oct. 25, from 1:30 to 3:30 p.m. at the Royal Courtyards in Bolton.

Porter will be providing an overview of the different departments and types of positions that are available at the Town, as well as the job posting and recruitment process used by the Town to source and hire employees.

She has been working in her capacity at the Town for more than two years. However, her experience in the human resources field spans over 20 years, primarily in the telecommunications, retail and manufacturing industries.

Porter encourages those who are interested to learn about the various career opportunities that the Town has to offer.

“The Town of Caledon provides many different job opportunities for individuals who are committed to customer service excellence,” she said. “Our staff supports our growing community while enjoying a rewarding work environment.”
