

Learn more about rules of the road for farm equipment

The Peel Soil and Crop Improvement Association is hosting a Ministry of Transportation (MTO) Information Session to discuss farm equipment and the rules of the road.

It will be this Saturday (April 20) from 10 a.m. to 2 p.m. at McCluredale Farms, 13639 Creditview Rd.

Spring seeding is just around the corner, so it's important for farmers to be familiar with the rules of the road for farm equipment and trucks.
