

Location changed for Inglewood session with council

Mayor Allan Thompson and Town councillors will be holding their second town hall session this coming Saturday (Nov. 28) in Inglewood, but the location has been changed.

It will run from 9 to 11 a.m. at Lloyd Wilson Centennial Arena, 15551 McLaughlin Rd.

Thompson and the councillors for Wards 1 and 2 will be on hand for coffee, conversation and an opportunity to preview the council workplan priorities, as well as for residents to talk about what's important to them.
