

## Lots of help in storm

Caledon is a great place to be because of the people who live here.

Thank you to all the workers who gave up their Christmas to restore hydro, keep the roads open and all the other work that was done in the aftermath of the ice storm. A special thank you to the owner of Trailside Cafe in Caledon East, who offered to cook our turkey Christmas Day since we had no power.

Community spirit is alive in Caledon.
