

Man arrested for indecent acts

A 51-year-old man from Mississauga is facing charges after a reported indecent act at a Bolton drive-thru July 22.

Caledon OPP reports a man placed an order at the drive-thru, and when he drove up to the window to pay for it, he apparently exposed himself to the female employee.

Officers were able to determine the identity of the suspect, and their investigation revealed that he had evidently committed a similar act at the same location about two weeks before.

He was arrested and charged with two counts of performing an indecent act.

Police are asking anyone with information about this occurrence or any other incident of indecent acts to contact them at 905-584-2241 or Crime Stoppers at 1-800-222-TIPS (8477).
