

Man charged with having too much to drink

A 50-year-old man from Dundas is facing drinking and driving charges after Caledon OPP were called to deal with a man found unresponsive in his vehicle at the side of the road.

Police said this took place early in the morning of Sept. 23.

They were called to the area of Highway 10, north of Valleywood Boulevard at about 12:35 a.m. They were able to speak to the man and determine he has consumed alcohol. The man was ordered to provide a breath sample and the test result registered a failure, meaning he was arrested. It was subsequently determined his blood-alcohol content was more than three times the legal limit.

The man was charged with having care and control of a vehicle with more than the legal limit of alcohol in his system.

His licence was suspended for 90 days, and his vehicle was impounded for seven.
