

Plantathon at Community Farm

Albion Hills Community Farm is likely to be a busy place Saturday.

The farm is hosting its annual Plantathon, which will go, rain or shine, from 9 a.m. until 5 p.m.

Come one, come all. Bring friends and family, and get your hands in the soil. Help plant the garden and grow local food.

There will be a pot-luck lunch around noon.

There will also be tomato plants, onion sets, seed potatoes, maple syrup, honey, locally-roasted coffee, etc. for sale.

The farm is at 16555 Humber Station Rd.
