

PRINGLE SQUARE SALES OFFICE OPENS

There was a crowd out Saturday morning to take advantage of the opening of the sales office for Pringle Square in Nobleton. Located on the southwest corner of Wilsen Road and Highway 27, the development will consist of 34 homes, including bungalows, townhouses and live/work units, with first occupancy expected in March 2014. Sales representative Angela DeFalco was outlining some of the amenities to prospective customers. Photo by Bill Rea
