OUR READERS WRITE

Hello Editor Caledon Citizen!

I very much enjoyed your editorial page in the Nov. 15 issue. It's a bit of a cry in the dark ? Hey! Darkness is half our day ? Good writing and worth the support.

Mark Pavilons had me laughing and thinking. ? excellent.

Keep on keeping an eye on our politicians and I'll advertise.

P.S. Mark ? The universe waste nothing. Humans however? Good question!

P.P.S. With this postal strike snail mail suffers.
