

Resident 'embarrassed and outraged' by MP's election comments

I am embarrassed (and outraged) that an elected official would provide a quote about 'corrupt, arrogant Liberals' going to eat Mark Carney's lunch 'bring this government down.'

I am grateful that your reporter recorded this statement to be accurate.

Elected officials should behave like grown-ups!

Canada needs leadership that will model sustainability and NOT with confrontational threats.

There are 100,000 federal constituents in this riding. 70,913 voted (71% voted, 29% did not).

Seebach received 42% of Dufferin-Caledon total riding. He is now responsible to represent his riding of Dufferin-Caledon.

I expect leadership that is collaborative and not 'childish.'
