

RETROSPECTIVE SHOW ON AT ALTON MILL

Artist Dorothy Milne-Eplett from Innisfil was recently showing a collection of her creations at Alton Mill. She is seen here with two of her oil works. The one on the left is Dad's Boots, and she said it won a Best in Show award about 20 years ago. "I thought they were joking," she recalled. The other is her signature piece, called Nottawasaga Maple. The show ran until Aug. 20. Photo by Bill Rea
