

RICK HANSEN VISITS HUSKY

Canada's Man in Motion Rick Hansen was the featured guest recently at Husky Injection Molding Systems' annual Summerfest Barbecue. This annual event helps celebrate and thank employees for all of their hard work throughout the year. Hansen is a well-known Canadian icon who has dedicated his life to ensuring accessibility and inclusivity for all people. He signed a copy of the May 23, 1987 edition of the Toronto Sun, which highlighted the completion of his Man in Motion Tour around the world, for Patricia Cerisano, who got it signed for her husband Joe.
