

Ride for Karen

Join cyclists from across Ontario Sept. 7 at the Ride for Karen, an annual fundraising ride to send children with cancer to camp. The fully-supported, premiere cycling event features a century ride (160 kilometres), as well as 25-km and 100-km routes, that start from the Markham Fairgrounds and roll through the countryside north of Toronto. There is also a Kids Fun Ride. Started in 2002 as a tribute to Karen Tobias, who passed away from breast cancer, the event has raised more than \$2 million with 100 per cent of the proceeds donated to charity. For more information, to donate or to register to ride, visit www.rideforkaren.com
