

Rotary gala Nov. 23

The Rotary Club of Palgrave is looking forward to another successful Silent Auction Gala Dinner and Dance.

This year, the event will be held Nov. 23 at the Royal Ambassador. Last year, with the support of friends, families and the community, more than \$35,000 was raised for the good of Rotary.

The club is once again reaching out to businesses in the area to assist with the fundraising goals by donating items to be auctioned off during the evening. Supporters can also consider sponsoring a table for eight to attend, along with a donation of an auction item. This could be an opportunity to show appreciation to clients or employees, at the same time supporting Rotary.

With the festive season coming, it would be the perfect night out, coupled with a chance to do some holiday shopping.

The event will be a formal evening with a champagne reception and registration at 5:30 p.m., followed by dinner at 7, featuring a live band and plenty of wonderful auction items to bid on.

The Rotary Club of Palgrave is actively involved in community, youth and international projects that benefit organizations and individuals both locally and internationally.
