

School marks 10 years

It was a time for celebration last Wednesday, as St. Rita Catholic Elementary School near Valleywood marked its 10th anniversary. Principal Ursula Fromm, the school's first principal Gerry Corrigan and Fr. Andrew Maderak were on hand for this ceremonial cake cutting with Grade 8 students Alyssa Nasello, Haylay Duff, Brooke Moretti and Alessia Ragno (who were in junior kindergarten when the school opened) and current JK students Anthony Arena and Michael Donahee. There was also lots of entertainment for the celebration, some of it being provided by Bubba the Clown. Photos by Bill Rea
