

Social Media for Beginners at library

Caledon Public Library will be presenting another series of social media workshops.

This four-part series will cover the basics. Beginners and first-timers need only sign up.

Created and presented by Shelly Sargent of Caledon Media, this series of 90-minute hands-on classes will outline the skills involved to ?get around? the social media scene.

There really is nothing to be afraid of. Social media is just a technical way of ?chatting,? keeping up with friends, family and neighbours and sharing pictures. Social media simply is word-of-mouth powered by technology. The purpose of these classes is to take the fear out of Facebook, Twitter, Blogging and Instagram/Overgram.

Sargent will show how to do it all.

These classes will be offered on four consecutive Thursdays: May 9 to May 30 at the Albion-Bolton Branch. The fee is \$25 for each workshop payable to Caledon Public Library. Advance registration required in person at any branch of Caledon Public Library. Be sure to sign up for one, two or all four.
