

## St. James? looking for auction items

St. James' Anglican Church in Caledon East is looking for items to be sold at the upcoming silent auction.

People at the church are looking for people who would like to offer a catered dinner for four, or make available a cottage for a week next summer, or a pair of tickets to a show or sporting event. They could also use pieces of art or fine furniture that the owner might no longer have room for.

The silent auction will start Oct. 26 and run throughout November.
