

Sweet Taste of Spring at Terra Cotta

Credit Valley Conservation (CVC) will be hosting its annual Sweet Taste of Spring event at Terra Cotta Conservation Area this weekend (March 22 and 23).

Come out to enjoy a pancake breakfast with local maple syrup and learn about tapping maple trees through the ages. Ask CVC experts about bird migration, gardening dos and don'ts, and participate in outdoor activities. Enjoy live entertainment, native displays and maple toffee.

The event will run both days from 10 a.m. to 3 p.m. The conservation area is at 14452 Winston Churchill Blvd, north of King Street in Terra Cotta. The cost will be \$8 for adult, \$5 for children aged four to 12 and seniors, and an additional charge will be applied for the breakfast.
