

The tree lights up at Town Hall

There was a large crowd of people in a festive mood recently for the ceremonial lighting of the Christmas tree at Town Hall in Caledon East. Music was being provided by the Refurbs, consisting of Noel Fortner, Ryan Bince and Jeff Zoberg. Photos by Bill Rea

Songs of the season were being sung by the choir of Caledon East Public School.

The real guest of honour was Santa Claus, and there were lots of young people ready to greet him.
