

Three charged with stunt driving

Mountainview Road might be a nice place to drive, but Caledon OPP is finding it a fruitful place to catch excessive speeders. Police report an officer was conducting speed enforcement on the road Oct. 9, 10 and 11. In addition to other tickets, the officer got three people allegedly going more than 50 km-h over the posted speed limit each of those three days. They included a 31-year-old man from Severn Township, a 30-year-old man from Brantford and a 17-year-old youth from Mono. All vehicles were impounded for seven days as a result of the charges.
