

Ticket worth \$159,000 unclaimed

Time is running out for the holder of a Lotto Max ticket sold in Brampton to claim a big prize.

Ontario Lottery and Gaming Corporation (OLG) reports the ticket was for the March 18, 2016 draw. The winning numbers were 6 ? 8 ? 15 ? 24 ? 26 ? 39 ? 44, and the bonus number was 40. OLG said someone is holding a ticket for that draw, bought in Brampton, which matches six of those numbers, plus the bonus. That ticket is worth \$159,177.80, but only for a short time.

Players have one year from the original draw date to claim their prize. Anyone possessing this ticket should fill in the back portion, sign it and contact the OLG Prize Centre at 20 Dundas St. West in Toronto before 6 p.m. March 20.

The OLG Prize Centre is now open Saturdays from 9 a.m. to 3 p.m., unless Saturday is a statutory holiday or if there is a statutory holiday on the preceding Friday or the following Monday. For full details on Prize Centre hours and services, visit the [How to Claim Prizes](#) page on [olg.ca](#)
