

Tire Junction marking its sixth anniversary

By Angela Gismondi

Tire Junction in Bolton is celebrating its sixth anniversary with a huge sale on Minerva Tires this week.

Starting today (Thursday) and running until next week, prices for all sizes and models will be drastically reduced.

The Minerva brand was introduced in 1992 as a premium high quality tire line. More than 1.5 million Minerva tires are sold every year. Minerva has earned an excellent reputation in the tire industry for many reasons including their very strong size range development in cars, vans, four-by-fours, SUVs and trucks. The tires also have high speed stability, low rolling resistance and superior handling in dry, wet or icy conditions.

Tire Junction specializes in all brands of new and used tires, tire rims, mechanical service for all makes and models and offers \$19.99 oil changes for most cars. All the work is done on site. The shop also carries Sailun, Firestone, Dunlop, Michelin, Goodyear, BF Goodrich and Hankook.

Tire Junction, at 11221 Highway 50 in Bolton, is open Monday to Friday from 9 a.m. to 6:30 p.m. and Saturday from 9 a.m. to 4 p.m.
