

Town hosting meeting on development charges

The Town of Caledon will be holding a public information meeting to present and obtain input on the proposed amendment to Development Charges Bylaw.

It will be Oct. 20 in the Council Chambers at Town Hall. It will start at 1 p.m.

The purpose of the amendment is to provide information on items that may result in development charge exemptions or discounts for things like secondary dwellings on agricultural properties for farm help; seniors housing; and live-work units; while removing development charge exemptions or discounts for low-impact development; and hotel, motel or lodge facilities

A copy of the proposed amendment and the background study is available at www.caledon.ca/dc and at the Corporate Services Department and Town Hall. To obtain a copy of the document or to make inquiries, contact Barb Johnson at 905-584-2272, ext. 4216 or barb.johnson@caledon.ca

Interested persons may also express their comments in writing by Oct. 16, addressed to the Town Clerk, Town of Caledon, 6311 Old Church Road, Caledon East, ON L7C 1J6.
